Summary

Dedicated backend developer specializing in **Java Spring Boot**, focused on creating innovative solutions and enhancing user experiences while contributing to the programming community.

Technical Skills

Languages: Java, cpp, html, css
Database: Mysql, MongoDB
Framework: Spring Boot
Tools: IntelliJ IDEA, GitHub, Git, Postman, VS code
Operating System: Linux, Windows
Relevant Coursework: Object-Oriented Programming (OOP), Data Structures and Algorithms (DSA)

Experience

Hacktoberfest 2k24

Oct 2024 – Oct 2024

Open Source Contributor

Remote

- Collaborated with developers on multiple **open-source projects**, contributing to code enhancements and feature implementation.
- Resolved issues and participated in **code reviews** to improve project quality and maintainability.

Projects

Pocket Doctor App | Flutter, Java Spring Boot, Gen AI, JWT token, MySQL | [GitHub Link](#)

Present

- * Developed a mobile and web application to simplify doctor appointment booking, provide exact visit timings, and digitize medical history for senior citizens to assist in better treatment.
- * Integrated an AI-powered feature for one-tap ambulance booking, ensuring real-time location tracking and dispatching the nearest available ambulance.

Budget Management System APP | Flutter, Java Spring Boot, Mysql | [GitHub Link](#)

Oct 2024

- * Developed a budget management app using **Java Spring Boot**, enabling users to input and **categorize expenses** for streamlined financial tracking.
- * Implemented features for expense categorization and a **split method**, facilitating easy **sharing of costs** among users.

Certifications

- * **Java Foundation Certification**, Infosys Springboard - November 2024
- * **Postman API Fundamentals Student Expert**, Postman - September 2024
- * **Developer Virtual Experience Program**, Accenture Forage - April 2023
- * Introduction to **Git and GitHub** authorized by Google, Coursera - April 2023

Education

Savitribai Phule Pune University

Sept 2023 – June 2026

Bachelor in Computer Engineering

Nashik, Maharashtra

Loknete Gopinathji Munde Institute of Engineering And Technology (MSBTE)

Aug 2019 – July 2022

Diploma in Computer Engineering (83.03%)

Nashik, Maharashtra

Achievements/Extracurricular

- * Contributed to **open-source** projects during **Hacktoberfest 2024**, demonstrating commitment to the programming community.
- * Solved **200+** coding problems on **GeeksforGeeks** and **LeetCode**, achieving GFG rating of 1500+ and LeetCode rating of 1300+. [Leetcode Profile](#) | [GeeksForGeeks Profile](#)
- * Achieved 3rd place in the 2024 **Winjit Hackathon**, competing against 250+ teams.
- * Won 3rd Prize for the Online Attendance Project at **Equinox-2024**, K. K. Wagh College of Engineering, Nashik.
- * Secured 1st Prize for the Online Attendance Project at **Gagnant-2024**, PVG College of Engineering, Nashik.
